Pick up?

_____ I will pick up my student _____ My student can drive themselves and their siblings.

_____ the following student attending camp can drive my student home _____

_____ the following persons can or will drive my student home

_____ I understand that my student may be photographed or filmed. I understand their image may be included in releases to the media, both paper and online. I am ok with that.

Is there anything important we need to know about your student in terms of health?

Registration includes participation in production and training, a t-shirt, 4 tickets to use at any of the performances, and a cast party. Students will need to supply shoes and some other garment basics as a part of their costumes. This information will be given out once casting is decided.

Per the Sarasota County School District policy masks are required at that time. Should that policy change before camp starts and you do not wish your student to participate without masks a full refund will be given.

Please make checks payable to North Port High School Theatre Guild. You may leave registration material and check in an envelope addressed to Dena Henderson, Theatre Department with the front desk of the school.
